

BENEFITS APP

The Power of Advocacy in the Palm of Your Hand

Our Benefits Mobile App service is now LIVE!

This tool is geared to the broker and agency market. It includes the Advocacy Call Line for direct access to one of our Subject Matter Experts, a place to store individual health plan information, a Telemedicine button to contact a doctor, and savings information on health procedures, Rx and more!

Our New Benefits Mobile App offers one-stop convenience to **Call a Concierge**, manage your benefits, and more!

-  **Call a Concierge** – a direct link to our CONCIERGE services to get help with all your health plan needs and questions
-  Link to **Your Benefits** information with medical, dental, and vision insurance plan information in one place
-  **Rx Info**...get details and information on savings of up to 60-80% at over 60,000 U.S. pharmacies
-  **Call a DOCTOR** – links to Telemed providers 24/7 all year 'round with \$0 copay & unlimited visits
-  **Save \$** helps you to find best pricing within your plan and for out-of-pocket expenses
-  **ID Cards** captures and stores images of your ID Cards for easy and convenient access
-  **Full Advocacy Support** - provider search, procedure pricing search, emergency services & much much more!

Powered by  STRIVE

Save time and money by empowering plan members with direct access to their health care information and DIRECT access to our Advocates.

Our concierge-level Advocacy service mobile APP will serve as a hub with links to the member plan information, health plan portals, lab values, Physician contacts, pricing options, Rx information, and much more!!

Use our Benefits App to “STRIVE” for: better communication, better relationships and better results!
